

**Broan-NuTone® Selected as a 2023 National Preferred Partner by David Weekley Homes**

*The 19<sup>th</sup> annual award recognizes world-class operation levels from a survey of more than 123 field and maintenance companies*

**HARTFORD, Wis.** (June X, 2023) – Broan-NuTone® was named a winner of the 19<sup>th</sup> annual National Preferred Partner Survey, completed by David Weekley Homes, one of the nation’s largest privately held home builders. The award recognizes field and manufacturing partners who have consistently operated at world-class levels, as determined by the home builder’s supplier evaluation platform. This comprehensive process, anchored by the National Preferred Partner Survey, evaluates companies in the areas of quality and customer service.

A total of 123 companies were evaluated this year and 25 were selected as a National Preferred Partner. This was Broan-NuTone’s first year being recognized.

“We are thrilled to be recognized as a first-time National Preferred Partner by David Weekley Homes,” said Dave Jones, Go-to-Market Assistant Director of Broan-NuTone. “We remain committed to being an exemplary partner in all of the quality homebuilding they do throughout the country and look forward to many more years of providing excellent quality and service for their customers.”

The evaluation process involves a comprehensive system of feedback and discussion that enables David Weekley Homes to measure excellence among all established trade partners and their channel partners.

“Congratulations to Broan-NuTone for being named one of our Preferred Partners,” said Vice President of Supply Chain Services John Schiegg from David Weekley Homes. “They have proven to be a valuable asset to our team with their extraordinary professionalism and dedication to product innovation.”
