

Broan-NuTone® Earns 2026 KBB Readers' Choice Awards for Kitchen and Bath Ventilation

Broan® and NuTone® recognized by kitchen and bath professionals for excellence in kitchen ventilation with range hoods, bath ventilation with bathroom exhaust fans.

HARTFORD, Wis. – September 2026 – Broan-NuTone, North America's leader in residential ventilation, today announced that its Broan® and NuTone® brands have been recognized as winners in the 2026 Kitchen & Bath Business (KBB) Readers' Choice Awards for both Kitchen Ventilation and Bath Ventilation.

The annual KBB Readers' Choice Awards recognize the brands most trusted by kitchen and bath professionals. Nearly 29,000 votes were cast across 25 categories in 2026, reflecting the preferences of designers, remodelers, builders, contractors and other industry professionals who specify and recommend products every day.

BROAN® and NuTone® were recognized for their leadership in ventilation solutions that help improve indoor air quality, comfort and ventilation performance throughout the home. In the Bath Ventilation category, products were evaluated based on effectiveness and noise level, two attributes that have long defined the Broan® and NuTone® brands.

"Being recognized by the professionals who specify, install and recommend our products every day is one of the highest honors we can receive," said Eric Engel, Retail VP/GM, Broan-NuTone. "This recognition reflects our team's commitment to delivering innovative kitchen and bath ventilation solutions that combine exceptional performance, reliability and innovation. We are proud that Broan-NuTone continues to be a trusted choice for professionals and homeowners alike."

For more than 90 years, Broan-NuTone has helped homeowners create healthier, more comfortable living environments through industry-leading ventilation products, including range hoods, bath fans, whole-home ventilation systems and indoor air quality solutions. The recognition further reinforces the company's leadership in kitchen and bath ventilation and its ongoing commitment to innovation that improves everyday living.

The complete list of 2026 KBB Readers' Choice Award winners is available through *Kitchen & Bath Business*.

About Broan-NuTone

Broan-NuTone is a trusted leader in residential ventilation, indoor air quality and fresh air solutions.
